**A Cold Place In Hell** William Blinn  
Careful What You Bet

In Salt Springs, on the Fourth of July, a young man took a bet--and ended up broken, battered and fighting for his life. . .But Billy Piper didn't die. He just came back to haunt Salt Springs--with all the book learning he did during his convalescence, with all the love he had for a whore, with all the friendship he shared with an old cowboy who couldn't help see the difference between right and wrong. . .

In this extraordinary classic Western by award-winning Hollywood screenwriter William Blinn (*Gunsmoke*, *Bonanza*), the story of Billy Piper becomes a powerful tale of two men's undying friendship, of a murder and a fight for justice. . .With the town of Salt Springs buckling and booming under the flow of oil and the coming of a railroad, where one man's power and dark secret would tear Billy Piper apart--until he picked up a gun and changed everything forever. . .and Salt Springs would explode in violence and blood.

**William Blinn** is a screenwriter who helped bring the Western to American television audiences, with credits on *Gunsmoke*, *The High Chaparral*, *The Big Valley*, *Rawhide*, and *Bonanza*. A two-time Emmy award winner, he has also been acclaimed for his writing for such TV movies as "*Brian's Song*" and "*Roots*." He also created the classic TV series *The Rookies* and *Starsky and Hutch*.
