China's Challenges to Human Security: Foreign Relations and Global Implications (China Policy Series)

China's Challenges to Human Security: Foreign Relations and Global Implications (China Policy Series)

This book looks at human security in China's foreign relations. It discusses the concept and theory of human security, and their implications for China. The book goes on to analyse environmental security issues, including climate change and water resources, as well as looking at issues from an energy consumption perspective. Significant human security issues are then focussed on, including food safety, pandemic disease control, migration, and the human rights implications of China's overseas investment.
