Félix de Azúa

**Génesis (Spanish Edition)** Félix de Azúa

**Félix de Azúa regresa a la novela a través de un viaje narrativo que empieza en el Génesis y nos traslada a la historia de una familia española en la Venezuela de los cincuenta.**

Que nuestras vidas son libres y que nuestras acciones son el resultado de nuestra santa voluntad es una creencia que apenas tiene dos siglos. Durante miles de años, a nadie se le ocurrió que nosotros decidiéramos libremente sobre nuestros actos: lo que nos sucedía, bueno o malo, era fruto del capricho de los dioses y de la despiadada naturaleza. En esta novela se cuentan dos historias con un secreto corazón compartido. En sus páginas se relata una historia perfectamente convencional, la de las tribulaciones de la viuda Mariló en la Venezuela de los cincuenta, y al mismo tiempo se narra la historia mítica de nuestros orígenes y nuestro destino, del destino de los humanos, de los mortales.

Azúa presenta en esta novela una posible tercera parte de sus falsas «autobiografías», aunque deja al lector la opción de no leer más que una novela como cualquier otra. La historia de Mariló, de su hija Verónica, de Álvaro, su sobrino vasco, y del mafioso venezolano Alvise, que la pretende, está íntimamente ligada al Génesis bíblico, seguramente como todas nuestras vidas, aunque no lo sepamos. Como en el Génesis, hay en esta novela una pareja, un crimen, una culpabilidad y una huida que Azúa nos brinda con su lucidez y su ironía habituales.

*«Ha sido la historia de mi nacimiento, mi Génesis particular, porque todas las vidas se adaptan al texto sagrado, lo sepamos o no. Es también la historia de mi culpa, esa culpa original que llevamos en la sangre y que nos obliga a hacer todo lo malo que hacemos...»*

Maybe it is to become best activity for you. You already know beside you can spend your time with your favorite's book, you can better than before. Do you agree with it has the opinion or you have different opinion?

#### **Curtis Locke:**

This Génesis (Spanish Edition) is great guide for you because the content that is full of information for you who else always deal with world and possess to make decision every minute. This book reveal it details accurately using great plan word or we can declare no rambling sentences inside. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tricky core information with splendid delivering sentences. Having Génesis (Spanish Edition) in your hand like having the world in your arm, data in it is not ridiculous 1. We can say that no reserve that offer you world throughout ten or fifteen minute right but this e-book already do that. So , this is good reading book. Heya Mr. and Mrs. stressful do you still doubt which?

#### **Janice Perry:**

As a university student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's soul or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Génesis (Spanish Edition) can make you experience more interested to read.

#### **Treva Ritter:**

Reading a publication make you to get more knowledge from it. You can take knowledge and information from a book. Book is created or printed or created from each source in which filled update of news. In this modern era like now, many ways to get information are available for an individual. From media social such as newspaper, magazines, science reserve, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Are you ready to spend your spare time to spread out your book? Or just looking for the Génesis (Spanish Edition) when you essential it?
