## **HBO's Girls and the Awkward Politics of Gender, Race, and Privilege**

*HBO's Girls and the Awkward Politics of Gender, Race, and Privilege* is a collection of essays that examines the HBO program *Girls*. Since its premiere in 2012, the series has garnered the attention of individuals from various walks of life. The show has been described in many terms: insightful, out-of-touch, brash, sexist, racist, perverse, complex, edgy, daring, provocative—just to name a few. Overall, there is no doubt that *Girls* has firmly etched itself in the fabric of early twenty-first-century popular culture.

The essays in this book examine the show from various angles including: white privilege; body image; gender; culture; race; sexuality; parental and generational attitudes; third wave feminism; male emasculation and immaturity; hipster, indie, and urban music as it relates to Generation Y and Generation X. By examining these perspectives, this book uncovers many of the most pressing issues that have surfaced in the show, while considering the broader societal implications therein.
