## **La cocina del wok (Spanish Edition)** Eduardo Casalins

La preparación más popular del wok es el salteado y es por eso que ellos ocupan, una parte importante del libro. Sin embargo, es bueno tener en cuenta que con el mismo utensilio pueden muchas exquisiteces: sopas, paellas, curries y frituras, así como también es una buena base para colocar sobre él una vaporera. La propuesta de este libro es mostrar esa versatilidad para que el cocinero amateur descubra y disfrute de un utensilio milenario que sigue vigente hoy más que nunca.
