Society of Gentlemen (3 Book Series) K.J. Charles

From Book 1: In the first novel of an explosive new series from K. J. Charles, a young gentleman and his elegant mentor fight for love in a world of wealth, power, and manipulation.

When he learns that he could be the heir to an unexpected fortune, Harry Vane rejects his past as a Radical fighting for government reform and sets about wooing his lovely cousin. But his heart is captured instead by the most beautiful, chic man he's ever met: the dandy tasked with instructing him in the manners and style of the *ton*. Harry's new station demands conformity—and yet the one thing he desires is a taste of the wrong pair of lips.

After witnessing firsthand the horrors of Waterloo, Julius Norreys sought refuge behind the luxurious facade of the upper crust. Now he concerns himself exclusively with the cut of his coat and the quality of his boots. And yet his protégé is so unblemished by cynicism that he inspires the first flare of genuine desire Julius has felt in years. He cannot protect Harry from the worst excesses of society. But together they can withstand the high price of passion.
