The Americans (Pitt Poetry Series) David Roderick

David Roderick's second book, *The Americans*, pledges its allegiance to dirt. And to laptops. And to swimming pools, the Kennedys, a flower in a lapel, plastic stars hanging from the ceiling of a child's room, churning locusts, a jar of blood, a gleam of sun on the wing of a plane. His poems swarm with life. They also ask an unanswerable question: *What does it mean to be an American?* Restless against the borders we build—between countries, between each other—Roderick roams from place to place in order to dig into the messy, political, idealistic and ultimately inexplicable idea of American-ness. His rangy, inquisitive lyrics stitch together a patchwork flag, which he stakes alongside all the noise of our construction, our obsessive building and making, while he imagines the fate of a nation built on desire.

Winner of the 2014 Julie Suk Award for the best poetry book published by an independent press.
