The United Nations Security Council in the Age of Human Rights

The United Nations Security Council in the Age of Human Rights

This is the first comprehensive look at the human rights dimensions of the work of the only body within the United Nations system capable of compelling action by its member states. Known popularly for its failure to prevent mass atrocities in Rwanda, the former Yugoslavia, and Syria, the breadth and depth of the Security Council's work on human rights in recent decades is much broader. This book examines questions including: how is the Security Council dealing with human rights concerns? What does it see as the place of human rights in conflict prevention, peacemaking and peacekeeping? And how does it address the quest for justice in the face of gross violations of human rights? Written by leading practitioners, scholars and experts, this book provides a broad perspective that describes, explains and evaluates the contribution of the Security Council to the promotion of human rights and how it might more effectively achieve its goals.

From reader reviews:

Nathan Ware:

Have you spare time to get a day? What do you do when you have more or little spare time? Sure, you can choose the suitable activity intended for spend your time. Any person spent their very own spare time to take a stroll, shopping, or went to often the Mall. How about open or maybe read a book allowed The United Nations Security Council in the Age of Human Rights? Maybe it is for being best activity for you. You know beside you can spend your time with your favorite's book, you can cleverer than before. Do you agree with it is opinion or you have additional opinion?

Alysa Appel:

As people who live in typically the modest era should be up-date about what going on or data even knowledge to make these people keep up with the era that is always change and progress. Some of you maybe may update themselves by reading through books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what one you should start with. This The United Nations Security Council in the Age of Human Rights is our recommendation to help you keep up with the world. Why, since this book serves what you want and wish in this era.

Joe Lowe:

Spent a free the perfect time to be fun activity to try and do! A lot of people spent their free time with their family, or all their friends. Usually they doing activity like watching television, likely to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your free time/ holiday? Might be reading a book is usually option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of publication that you should read. If you want to consider look for book, may be the guide untitled The United Nations Security Council in the Age of Human Rights can be excellent book to read. May be it might be best activity to you.

Daniel Caudle:

Precisely why? Because this The United Nations Security Council in the Age of Human Rights is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will jolt you with the secret this inside. Reading this book next to it was fantastic author who all write the book in such awesome way makes the content on the inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of gains than the other book possess such as help improving your ability and your critical thinking way. So , still want to delay having that book? If I have been you I will go to the e-book store hurriedly.
