Olivia Dalton might have a little problem with control. She maintains a perfect GPA, has a flawless wardrobe and can bend people around her to fit her needs - until she meets the guy that throws her off beat with one glance. When the sexy drummer flashes his crooked smile her way, she comes undone at the seams and struggles to regain order. Fate has other ideas, making Olivia question everything she ever knew.

Aaron Lindquist was drawn to the fiery redhead, Olivia the first time he laid eyes on her. Her good girl appearance didn't fool him for a minute. One touch of her hand was all it took to make sparks fly between them. But as his polar opposite, Olivia refuses to let her animal out.
