Adopción y vínculo familiar: Crianza, escolaridad y adolescencia en la adopción internacional (Salud Mental) (Spanish Edition) Vinyet Mirabent, Elena Ricart

A pesar de la crisis económica, el número de adopciones internacionales ha crecido exponencialmente a lo largo de los últimos años. Se trata de un fenómeno que nace del verdadero deseo de ser padres, de una sana motivación, pero a su vez es un reto lleno de incertidumbres que requiere una preparación previa y cuidadosa.

Esta nueva realidad social ha generado un aumento en las consultas por parte de padres adoptivos y ha llevado a los autores a elaborar el presente texto partiendo de su experiencia en adopción internacional y de las distintas vertientes de su trabajo. En él se recoge la visión de un equipo -ICIF Fundació Vidal i Barraquer- formado por psicólogos, psicopedagogos y trabajadores sociales, cuyo objetivo es contribuir al buen desarrollo del niño tanto en la familia como en la escuela.

Vinyet Mirabent y Elena Ricart son los compiladores de esta obra. Los autores son el Equipo de adopciones de la ICIF Fundació Vidal i Barraquer: Josep M^a Andrés, psicólogo clínico; Gemma Blanch, psicóloga; Elba Camina, trabajadora social; Magda de la Maza, psicopedagoga; Geni Flos, educadora social; Vinyet Mirabent, psicóloga clínica; Martha Ortega, psicóloga; Elena Ricart, psicóloga clínica; Marta San Martino, psicóloga; Montserrat Soler, trabajadora social; Jorge Toledano, psicólogo. Con la colaboración de Laura Cano, maestra.
