## **Flash di un'alba (Italian Edition)** Gino Benvenuti

Si può ricostruire un periodo storico a noi lontano, descrivendone aspetti di vita quotidiana nella quale si mischiano desideri, comportamenti, progetti e valori di un agire collettivo che ha coinvolto, affascinato e motivato “un’intera generazione”. Essa, in un’Italia postbellica che era un cumulo di macerie non solo materiali, è stata attrice e testimone insieme, di un periodo di rinascita della società, permeato dalla speranza e dall’ottimismo. Il paese viveva così la propria alba, come noi più piccoli biologicamente, vivevamo la nostra.

Mi sono chiesto se i ricordi potessero apparire come un esercizio retorico e nostalgico. Diventano tali se ci limitiamo alla rievocazione; sono importanti invece se offrono lo spunto per un confronto con il presente. Questa verità è fondamentale per pensare il proprio futuro.
