Legends of Early Rome: Authentic Latin Prose for the Beginning Student Brian Beyer

In this text for upper-beginner and intermediate students, Brian Beyer collects authentic Latin prose from Book I of Eutropius's *Breviarium ab urbe condita*, which covers Roman history from its foundation to the sack of Rome by the Gauls. Eutropius's easy style and accessible vocabulary make his *Breviarium* ideal for students transitioning from the simplified Latin of a first-year textbook. Bottom-of-the-page glosses, passages in English from the Roman historian Livy, a running commentary on grammar and syntax, historical notes, and compiled vocabulary allow students insight into the foundational myths of ancient Rome and the historical context of Eutropius's narrative.
