The Book of Dad

Paul Barker

The Book of Dad Paul Barker

The Book that will forever define the essentially comic state of being, acting, looking, and sounding like a Dad.

You think you know your Dad? You think he gets up to go to work every morning, does his job, eats his lunch, has an afternoon snack or three, then comes home and eats dinner in front of the TV? On the weekend, maybe he mows the lawn or fixes that broken shelf, or has a few jars down the pub with the lads? You think that's what Dads do, don't you? You think that's all there is?

Oh, how little you know.

A hymn to all things paternal, 'The Book of Dad' will change the way you think about your Dad, my Dad, his Dad, their Dad, Everybody's Dad. Including such marvellous chapters as Know Your Dad, The World According to Dad, Dads Through The Ages (from Caveman Dad up to Victorian Dad), How To Be A Dad, and The Dad-to-Be, 'The Book of Dad' is a highly illustrated, high-quality, highly anticipated romp through the pantheon of Dadness...and beyond...but not too far.

From reader reviews:

George Degregorio:

A lot of people always spent their very own free time to vacation or perhaps go to the outside with them loved ones or their friend. Do you realize? Many a lot of people spent they free time just watching TV, or even playing video games all day long. In order to try to find a new activity honestly, that is look different you can read a new book. It is really fun in your case. If you enjoy the book that you read you can spent the whole day to reading a guide. The book The Book of Dad it is very good to read. There are a lot of folks that recommended this book. These were enjoying reading this book. When you did not have enough space to develop this book you can buy typically the e-book. You can m0ore very easily to read this book through your smart phone. The price is not to fund but this book has high quality.

Renee Chagnon:

People live in this new morning of lifestyle always attempt to and must have the extra time or they will get lots of stress from both way of life and work. So , whenever we ask do people have spare time, we will say absolutely indeed. People is human not just a robot. Then we consult again, what kind of activity do you have when the spare time coming to you actually of course your answer will probably unlimited right. Then do you ever try this one, reading guides. It can be your alternative in spending your spare time, the particular book you have read is definitely The Book of Dad.

Dianna Chrisman:

You could spend your free time to learn this book this guide. This The Book of Dad is simple to create you can read it in the recreation area, in the beach, train in addition to soon. If you did not get much space to bring the actual printed book, you can buy the particular e-book. It is make you quicker to read it. You can save the particular book in your smart phone. Consequently there are a lot of benefits that you will get when you buy this book.

Robin Holloway:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's heart or real their interest. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The Book of Dad can make you feel more interested to read.
