## **Trout Fishing in the Catskills** Ed Van Put

Ed Van Put begins this important book with the history of native brook trout and offers little-known details about their sizes, range, and demise from over-fishing, the growth of streamside industries, and the introduction of competitive species. Sweeping in its scope, *Trout Fishing in the Catskills* tells a thorough tale of the often tumultuous history of fishing in the Catskills. With a scope of over a century, Van Put tells of the Catskill's frontier fishing beginnings and tracks the rise, fall, and eventual revival of the fisheries.

Throughout, this is a history of people and methods as well as rivers, and there are profiles of Theodore Gordon, Art Flick, Harry and Elsie Darbee, Sparse Grey Hackle, and more. No serious trout fisherman, in any part of the country, will want to miss this pioneering portrait of a seminal region in American angling history.

Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

#### Cindi Russell:

Spent a free time to be fun activity to complete! A lot of people spent their leisure time with their family, or their very own friends. Usually they accomplishing activity like watching television, going to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Will you something different to fill your personal free time/ holiday? May be reading a book can be option to fill your no cost time/ holiday. The first thing that you'll ask may be what kinds of publication that you should read. If you want to consider look for book, may be the e-book untitled Trout Fishing in the Catskills can be very good book to read. May be it might be best activity to you.

#### Mark Montague:

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to the library. They go to presently there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Trout Fishing in the Catskills can make you really feel more interested to read.
