## El excepcionalismo mexicano (Criterios) (Spanish Edition) César Cansino

El histórico paso que dio el país a finales del siglo XX y principios del XXI, cuando rompió con siete décadas de autoritarismo (representado por el predominio de un solo partido), sentó las bases para iniciar una auténtica vida democrática. Sin embargo, tal como lo señala el autor de este incisivo ensayo, el aprendizaje ha sido doloroso, los avances lentos y la posibilidad de un retroceso acecha a cada paso.

Desde esta perspectiva y a la luz de la actual coyuntura electoral, César Cansino se pregunta si seremos capaces de dejar atrás definitivamente el conformismo, la sumisión y la resignación que tradicionalmente han identificado a la sociedad para abrazar sin reservas la vida democrática y todo lo que ella supone: participación, legalidad, justicia, equidad, libertad, etcétera.

Estas páginas constituyen un esfuerzo para distinguir, más allá de esencias y estereotipos, aquello que realmente define la idiosincrasia nacional (nuestra excepcionalidad) y los cambios que este canon identitario ha sufrido en los últimos años.
