Caspian Mort can feel the history in anything he touches, a gift he inherited from his father, the Crown Prince of Annwyn. Devastated over his ex-wife's infidelity, Caspian has withdrawn from human contact except when working as an antiques dealer.

While assessing the contents of the historic Callaway House he encounters the beautiful Lydia Callaway and senses that her home is haunted by a banished fairy. But what does the dangerous exile want? Unbeknownst to Lydia, she's the owner of the last remaining portal to Annwyn—a mirror hidden somewhere in the house. To keep Lydia safe, Caspian will have to divulge the secrets of his heritage, and risk losing his heart again.
