From Book 1: She wants security. He wants freedom. Together their love could destroy the world.

Ten years after the outbreak of the V2000 virus turns the majority of humans into a mutated Vampire sub-species, the last remaining true humans are the world's hottest commodity. In this new world, it's The Society that rules.

Being the only female Vampire Lord in America isn't easy. Being thrust into the role of CEO is even harder. Danika Chekov refuses to let her father's legacy die. She's resolved to keep everything under her tight control. But after she's almost killed, she's forced to purchase a human guardian.

Mason is human, or so the Vampires think. He's determined to protect his secret, but Lord Danika buys him before he can make his escape. Their passion for each other threatens everything they want most. And when Mason's true nature is exposed, the results could be devastating.
