Walking in the Light: Knowing and Doing God's Will Steve Harper

While Christians are hungry to know God's will, we often don't know how to go about learning what that might be. With his gentle, pastoral style, Steve Harper encourages you to pray and read scripture in ways that lead to knowing and doing God's will. He employs the metaphor of walking in the light to frame a method of prayer and practice, using scripture and tradition to inform the steps of this ongoing walk with God called discernment. Questions for reflection and discussion are provided at the end of the book.
