Judith M. Brown, Robert Eric Frykenberg

Christians, Cultural Interactions, and India's Religious Traditions (Studies in the History of Christian Missions) Judith M. Brown, Robert Eric Frykenberg

Christianity has long been one of India's religious traditions, but the extent to which the faith has influenced Indian society and culture has never been well documented. This important book is the first to do so. Here a group of historians, missiologists, and religion scholars examines the fascinating but little known history of missionary Christianity in India, showing how it has played a significant role in the development of modern India at every level. Chapters deal with the interaction between Christianity and India's "high culture," with aspects of conversion among tribal people and outcasts beneath the hierarchy of Hindu society, and with the development of Indian churches and their relation to the wider culture.
