Were-lynx Kennedy's world implodes when she's sent to a facility for illegal and torturous experimentation. Only after she's rescued does she learn she's been living a lie for 22 years. She can count on nothing from her past - not her parents, her surname, or her safety. Only the brother she didn't know and his colony of were-lynxes offer any semblance of stability. Suspicious of everyone and unsure of her path forward, Kennedy reluctantly starts to realize that charming were-bobcat Asher Monroe might be her only hope.

Sportswriter Asher has been trying desperately to ferret out the truth behind why the sinister Nexus Group has been kidnapping and experimenting on were-cats. But he's also willing to use his special mind-controlling ability to discover whether the gorgeous Kennedy is a threat to the colony or simply a lost soul.

As their need for the truth takes them into escalating danger, they discover explosive secrets that could bring Kennedy and Asher together - or rip them apart forever.
