Jill (Welsh Women's Classics)

Amy Dillwyn

Jill (Welsh Women's Classics) Amy Dillwyn

Jill is the story of an unconventional heroine - a gentlewoman who disguises herself as a maid and runs away to London in search of adventure after her mother dies and her father is pursued by a Victorian gold-digger. Once in London she uses her position as lady's maid to become close to her mistress. Her life above and below stairs is portrayed with irreverent wit in this fast-paced story, but at the centre of the novel is Jill's unfolding love for the woman she works for. On the surface a feminist manifesto, Jill is a poignant story of same-sex desire and unrequited love. An new introduction tells the autobiographical story on which the novel is based -the author's own passionate attachment to a woman she called her wife, but who she couldn't have.
