Magnet Therapy, Second Edition: The Self-Help Guide to Magnets-Clinically Proven to Relieve 35 Health Problems William H. Philpott, Dwight K. Kalita, Linwood Lothrop

Remember when you were a kid and you raked a magnet through the sand, attracting specks of iron? Well, just as it draws iron from the sand, a magnet can manipulate the iron in your bloodstream, improving both circulation and body function. *Magnet Therapy* is filled with practical information as well as success stories that will bolster your determination to work toward greater health.

You would be amazed to learn just how many conditions can be healed with magnet therapy. Diabetes, heart disease, and multiple sclerosis are only three of the thirty-five health issues discussed in this book. Conventional medicine does its best with pills, but treats only the symptoms, while magnet therapy treats the whole body, making it stronger and healthier. Whether this is your first or fortieth time using magnets, *Magnet Therapy* will teach you to maximize your health in a way that is both scientifically proven and easy to understand.
