The Crucible of Doubt Terryl Givens, Fiona Givens

Faith is the first principle of the gospel of Jesus Christ. So what happens when a person has doubts?

Questioning is not the problem, according to authors Terryl and Fiona Givens. “After all,” they write, “the Restoration unfolded because a young man asked questions.” The difficulty arises when questions are based on flawed assumptions or incorrect perceptions, which can “point us in the wrong direction, misdirect our attention, or constrain the answers we are capable of hearing.”

This insightful book offers a careful, intelligent look at doubt—at some of its common sources, the challenges it presents, and the opportunities it may open up in a person’s quest for faith. Whether you struggle with your own doubts or mostly want to understand loved ones who question, you will appreciate this candid discussion. You’ll come away feeling more certain than ever of the Lord’s love for *all* of His children.
