The Truth About Creativity: Rules are there to be challenged Patrick Harris

The Truth About Creativity provides a practical and example-laden journey through creativity and its talent-releasing benefits for organisations, teams and individuals. Many of the truths are new perspectives on well-known creativity topics and will teach you how to: capture and use half-thoughts in the workplace; use alternative techniques to brainstorming; realise ideas must get complex before they get profound; succeed with a £10 budget; build momentum to take people with you; test the validity of ideas with a 5 minute business plan; recognize the customer isn't always right – but listen to them anyway...and more.
