Time of the Rangers: Texas Rangers: From 1900 to the Present Mike Cox

Following up on his magnificent history of the 19th century Texas Rangers, Mike Cox now takes us from 1900 through the present. From horseback to helicopters, from the frontier cattle days through the crime-ridden boom-or-bust oil field era, from Prohibition to World War II espionage to the violent ethnic turbulence of the '50s and '60s--which sometimes led to demands that the Texas Rangers be disbanded. Cox takes readers through the modern history of the famed Texas lawmen. Cox's position as a spokesperson for the Texas department of Public Safety allowed him to comb the archives and conduct extensive personal interviews to give us this remarkable account of how a tough group of horse-borne lawmen--too prone to hand out roadside justice, critics complained--to one of the world's premier investigative agencies, respected and admired worldwide.
