Uno studente felice (Italian Edition)

Fernando Alberca

Uno studente felice (Italian Edition) Fernando Alberca

Già noto in Italia per il volume "Tutti i bambini possono diventare Einstein" (Orme, 2012, nuova edizione Ultra, 2014), Alberca affronta lo scottante tema del rendimento scolastico, introducendo una nuova visione dello studio, molto più moderna ed efficace. Profondamente convinto che ogni ragazzo abbia un potenziale straordinario che aspetta solo di venir sviluppato ed espresso, sottolinea una questione fondamentale: si tratta di riuscire a individuare e perfezionare il metodo di studio più adatto ai nostri figli, che permetta loro di ottenere risultati migliori, ma ancor più di non perdere la motivazione e affrontare le prove scolastiche con maggiore serenità. In tutto questo il ruolo dei genitori, e in modo particolare quello del padre, è primario e di grande importanza. Alberca ci spiega quindi come affiancare i nostri figli nello studio, sviluppando tecniche e piccoli stratagemmi per sintetizzare, memorizzare, schematizzare gli argomenti di studio, acquisire maggiore sicurezza e maggiore serenità nei confronti delle prove di esame. Se è vero che i voti non rappresentano la persona e non ne descrivono neppure le reali capacità, è pur sempre grazie a dei "buoni voti" che si può accedere a un numero maggiore di possibilità nel campo del lavoro così come in quello della formazione superiore e specialistica.
