You're In Canada Now . . . : A Memoir of Sorts

Susan Musgrave

You're In Canada Now . . . : A Memoir of Sorts Susan Musgrave

Evocative and superbly rakish, these essays are a generous diagnosis of the often offbeat worlds of family, writing, travel, sex and death as interpreted through the real life adventures of Susan Musgrave. Equally at home recounting the lore of her outlaw husband Stephen Reid, or interpreting the arcane rituals of her teenage girls, Musgrave brings to her literary essays that same invigorating freshness for which he has become known in her fiction and poetry. In settings ranging from the aching solitude of the Queen Charlotte Islands to the sweaty intensity of bandido apartments in Panama, the reader will find Musgrave musing with her legendary wit and pastiche, while creating graffiti-like impressions of the writer's essential take on those closest to her.
