The Christian landscape is littered with the bodies of believers who are victims of "friendly fire": the legalists, judgemental, or negatively critical words or actions of others believers.

Friendly Fire is Mike Warnke's survival guide for believers battered by the religious among us. He offers encouragement and hope for the Church's "walking wounded" in their journey toward healing, restoration, and wholeness. No matter what has happened, no believer is too far gone to come back. God stands ready and willing to heal and restore. With warmth, humor, and insight gained from his own personal experiences, the author provides a soothing balm for believers nursing the wounds inflicted by "friendly fire"
