**The Cicada Prophecy** J.R. McLeay

**IN THE YEAR 2065, THE IMPOSSIBLE HAPPENS.**

**MEDICAL SCIENCE SOLVES THE RIDDLE OF AGING...**

**AND EVERYONE RUSHES TO DRINK FROM THE FOUNTAIN OF YOUTH.**

**THERE'S JUST ONE CATCH...**

*Since the dawn of civilization, it's been mankind's greatest dream: immortality and eternal youth.*

Dramatic advances in medical science have finally made it possible. But in order to preserve everyone's youthful vitality they must undergo an operation before passing into adulthood that locks their body in the form of a pre-adolescent eleven year old.

Under the auspices of the United Nations Global Longevity Initiative led by brilliant neurosurgeon Dr. Richard Ross, the program promises a peaceful utopian society where emotionally and intellectually mature juveniles now rule the world.

But not everyone is happy with the new arrangement. A small and passionate group of rebels from the Garden of Eden church, led by the mercurial Calvin James, plots to overthrow the new regime and return the world to its natural order.

Starting with a shocking revelation at the end of the first chapter, the idyllic setting is quickly overturned through a series of sinister schemes and escalating medical complications, where suddenly the world finds itself on the brink of imminent extinction.

Building to an exciting climax, Dr. Ross and his endocrinologist girlfriend must find and save the last person who carries the genetic link for preserving the human race.

***Discover the dramatic and original story based on breakthrough Nobel prizewinning research.***
