The Knights Before Christmas Joan Holub

'Twas December 24th, and three brave knights were just settling in for the night when out on the drawbridge, there arose such a clatter! The knights try everything to get rid of this unknown invader (Santa Claus!), a red and white knight with a fleet of dragons . . .

*But nothing would stop
their white-whiskered foe.
No matter their efforts,
he just would not go!*

This parody of Clement Clarke Moore's well-known poem *'Twas the Night Before Christmas* is kid-friendly, clever, and just plain silly-sure to become a holiday classic of a different kind.
