"I spend a lot of time trawling through the kindle book store looking for cheap books, relying on reviews to make my purchases. I have come across some less than average books using this method, but also some real gems. This book definitely falls into the latter category. It had me gripped from page one." - Steve Sut, Amazon UK Review

This story could, probably should, be made into a movie at some point. I honestly have to believe that Smitherd should contact a producer/director and make a fabulous movie deal. Totally enjoyed the read, especially for a FREEBIE. - Bonnie Gleckler Clark, Goodreads
