**Vacances picardes (Polars en Nord) (French Edition)** Philippe Sturbelle

Roland Mesclin est venu se ressourcer, loin de sa famille, dans un petit village de Picardie. Alors qu'il se promène dans les champs, il entend deux détonations et découvre le corps d'une présentatrice télé baignant dans son sang. Il se rend à la gendarmerie pour signaler le meurtre mais sa trop grande curiosité fait de lui le principal suspect. Il se retrouve bientôt accusé de plusieurs autres meurtres et son visage est diffusé au journal de 20 heures. Sommé de rester dans les parages, il est agressé et séquestré par celui qui pourrait bien être le véritable assassin.
