Construction Beauty Queen by Sara Daniel

She's on the job...and out of his league.

Chicago socialite Veronica Jamison is determined to shake off her sheltered lifestyle and overbearing parents. She heads to her grandfather's small town of Kortville, ready to roll up her sleeves and work for the family construction business. She'll prove her worth, even if it means answering to the company's ruggedly handsome co-owner, Matt.

Matt Shaw just wants to run his business, spend time with the niece he's raising on his own, and give back to the townspeople who have stood by him. Managing a spoiled-rotten princess he knows he'll never be good enough for? Not part of his plan. But as he gets to know Veronica, he learns there's more to her than her beautiful looks and designer clothes. She's got a heart as rich as her background. With the quirky townspeople rallying against Veronica inheriting her grandfather's business, it's up to Matt to try to drive her out of town. But how can he, when instead she's driving her way into his heart?
