Historias del under (Spanish Edition) Fernando Noy

Este libro es una visita a una época que pareciera pasada pero que continúa vibrante, diseminada por las áreas periféricas de cierta cultura previsible.

Fueron aquellos tiempos en los que el proceso creativo era resistencia cultural, donde surgían lugares y personajes con nuevas propuestas y luz propia. En su caos inspirador, elemental, se expresaron ajenos al sayo que limita la gran aventura de crear. Los artistas que aquí recordamos no se han extinguido: el árbol se sigue plantando, aun vecino a la maleza transgénica anticreativa.

No se trata de recuperar ninguna saga jamás perdida, sino de sumergirnos por medio del lenguaje en los vestigios que vuelven a ser semilla, donde ya no llora la Biblia junto a ningún calefón sino que surge vivaz, libre total y siempre accesible la verdadera risa de una cultura popular, para deleite de tantos quiméricos sueños nuevamente vueltos realidad.
