**Naturaleza oscura (Saga Naturaleza salvaje) (Spanish Edition)** Megan Shepherd

De regreso al lúgubre Londres victoriano, Juliet Moreau trata de reconstruir la vida que conoció en otro tiempo. Han pasado varios meses desde que escapó de la isla de su padre... y de los secretos que allí descubrió. Pese a todo, la oscuridad persigue a Juliet como una maldición.

Por una parte, las operaciones a las que la sometió su padre la obligan a llevar a cabo experimentos secretos en una buhardilla de Covent Garden con la esperanza de hallar la cura a su enfermedad. Por otra, personas del entorno de Juliet están sucumbiendo a un sanguinario asesino que tiene en jaque a Scotland Yard. Una fiera cuyos crímenes recuerdan demasiado al terror que campaba a sus anchas por la isla. El espanto de un pasado que Juliet creía superado ha regresado con más violencia que nunca.

\* Inspirada en el clásico de Robert Louis Stevenson *El extraño caso del doctor Jekyll y Mr. Hyde*, *Naturaleza oscura* es la continuación de *Naturaleza Salvaje*, un thriller de ambientación gótica sobre la delgada línea que separa el bien del mal.
