The Ball Python Manual (Herpetocultural Library) Philippe De Vosjoli, Philippe De Vosjoli
Written by a team of internationally respected herpetologists led by Philippe de Vosjoli, The Ball Python Manual is an authoritative introduction to this popular snake. The ball python is admired around the world for its distinctly African appearance and its relative medium size and tameability. This colorful manual offers up-to-date and reliable information on selection, acclimating, handling, housing and maintaining ball pythons, all of which will be extremely valuable to newcomers to this remarkable python. Dr. Roger Klingenberg's chapter on health care is indispensable for all snake keepers with excellent advice for troubleshooting health issues for each of the snake's anatomical regions. The breeding chapter by David and Tracy Barker discusses sexing, sexual maturity, and all aspects of captive reproduction and hatching. The volume concludes with resources and a complete index.
