Controversies in Environmental Sociology

Controversies in Environmental Sociology

This comprehensive textbook deals with the key issues and controversies in environmental sociology today. Each chapter deals with discrete issues in a manner that captures the main debates, the central figures, and the social nature of environmental-related trends. The text reflects international developments in the area, as well as drawing upon specific case examples and materials. It includes contributions from leading experts in the field, and is compiled by one of Australia's best-known sociologists, Professor Rob White. Written in an accessible language, with further reading lists for students at the end of each chapter, *Controversies in Environmental Sociology* provides a timely introduction to the subject.
