Medical Judgment Richard L. Mabry M.D.

Someone is after Dr. Sarah Gordon. They've stalked her and set a fire at her home. Trying to recover from the traumatic deaths of her husband and infant daughter is tough enough, but she has no idea what will come next. Her late husband's best friend and a recovering alcoholic detective are trying to solve the mystery before it's too late, but both appear to be vying for her affection as well. Sarah finds herself in constant fear as the process plays out.

As the threats on her life continue to escalate, so do the questions: Who is doing this? Why are they after her? And with her only help being unreliable suitors in competition with each other, whom can she really trust?
