M. Aguéiev

**Novela con cocaína (Clásicos Modernos) (Spanish Edition)** M. Aguéiev

«Para un hombre enamorado todas las mujeres son mujeres, a excepción de aquella a la que ama, a la que considera una persona. Para una mujer enamorada todos los hombres son personas, a excepción de aquel al que ama, al que considera un hombre.» Reflexiones como ésta, en una novela por lo demás repleta de infrecuentes revelaciones sobre sexualidad y roles de género, y de elementos ciertamente inéditos como la adicción a la cocaína, debieron llamar la atención, a comienzos de la década de 1930, del grupo de emigrados rusos que editaban en París la revista *Cifras* y a cuya redacción llegó, con el seudónimo de M. Aguéiev, el manuscrito de *Novela con cocaína*.

La paternidad de la novela, que llegó a ser atribuida a Nabókov y que no sería definitivamente esclarecida hasta 1994, fue desde entonces un enigma. Pero el revuelo estaba justificado por la extraordinaria originalidad de la obra, una narración en forma autobiográfica, ambientada en Moscú en vísperas de la Revolución, de un joven impelido por «el deseo de conferir a mi personalidad un carácter singular», desde sus últimos años en el Instituto hasta su reclusión en el solitario universo de «desdoblamientos» de la cocaína.

Osada, profunda e incómoda, con una visión del mundo que supone un insulto a nuestra noción más luminosa, tierna y pura, esto es, «el alma humana», ésta es una novela imprescindible del siglo XX, por primera vez presentada en traducción directa del ruso.
