Alif el invisible (Spanish Edition) Willow Wilson

**Empieza con un libro, un libro del que se había perdido el rastro hace siglos...**  
**Empieza con un joven que se enamora. Pero es un amor que no tiene futuro...**  
**Empieza con un final.**

Se hace llamar Alif. Pocos son los que conocen el nombre real de este joven hacker que se crió en una ciudad de Oriente Medio, un lugar que tiene un pie en la era moderna y otro en la antigüedad. Alif creía haber encontrado el gran amor, pero los padres de ella han concertado su matrimonio con un príncipe.

Un enigmático libro titulado *Los mil y un días* acaba en manos del joven, que descubrirá que es un portal hacia otra realidad: un mundo que tiene su origen en una época muy lejana, cuando imperaba la magia antigua y los míticos djinn caminaban entre nosotros... Así empieza una trepidante aventura que llevará a Alif por las calles destaraladas de una vibrante metrópoli en plena ebullición social. En el punto de mira de todos, Alif se convierte en un fugitivo. Y está a punto de desatar una fuerza destructiva que lo cambiará todo, empezando por él mismo.

Sorprendente y extraordinario, Alif el invisible mezcla la emoción de una rocambolesca aventura de fantasía urbana y la frescura del ciberthriller con el encanto de la mitología del Oriente Medio.

## Reseñas:

«Una exuberante fábula que inquieta, emociona y posee un atractivo universal.»

*The New York Times*

«Una excelente novela que desbanca géneros tan fácilmente como sus personajes saltan de una realidad a otra.»

*Library Journal*

«[Wilson] guía la energía de la Primavera Árabe hasta una fantasía urbana en la que coloca a djinns en la era digital.»

*Booklist*

«Una novela intensa y culta en la que se plasma un diálogo entre la tradición y la modernidad, la fe y la falta de fe, los cuentos de hadas y la realidad urbana. (...) Wilson se inspira en el folclore islámico (...) para narrar una historia acerca de la opresión estatal, la resistencia y la esperanza.»

*The Guardian*

### From reader reviews:

#### **Enrique McLean:**

Have you spare time to get a day? What do you do when you have far more or little spare time? Yes, you can choose the suitable activity for spend your time. Any person spent their particular spare time to take a walk, shopping, or went to the actual Mall. How about open as well as read a book eligible Alif el invisible (Spanish Edition)? Maybe it is for being best activity for you. You realize beside you can spend your time together with your favorite's book, you can smarter than before. Do you agree with its opinion or you have some other opinion?

#### **Carl White:**

As people who live in typically the modest era should be update about what going on or facts even knowledge to make these keep up with the era and that is always change and make progress. Some of you maybe will update themselves by studying books. It is a good choice for you personally but the problems coming to anyone is you don't know what type you should start with. This Alif el invisible (Spanish Edition) is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

#### **James Lindberg:**

Spent a free time for you to be fun activity to complete! A lot of people spent their spare time with their family, or all their friends. Usually they carrying out activity like watching television, going to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? Might be reading a book can be option to fill your free time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to attempt look for book, may be the publication untitled Alif el invisible (Spanish Edition) can be very good book to read. May be it could be best activity to you.

#### **Chester Grantham:**

This Alif el invisible (Spanish Edition) is great reserve for you because the content which is full of information for you who all always deal with world and also have to make decision every minute. This specific book reveal it details accurately using great organize word or we can claim no rambling sentences inside. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but hard core information with splendid delivering sentences. Having Alif el invisible (Spanish Edition) in your hand like finding the world in your arm, facts in it is not ridiculous one particular. We can say that no book that offer you world inside ten or fifteen moment right but this e-book already do that. So , this can be good reading book. Hey there Mr. and Mrs. active do you still doubt this?
