## **Delirio notturno (Italian Edition)** Alfonso Caputo

L'opera "Delirio notturno" di Alfonso Caputo è stata scritta venti anni fa, nel 1993, ma non ha una sua lezione temporale in quanto la sincera contemporaneità del contenuto restituisce la sua profonda, attuale comprensione. Il testo si sviluppa in un tempo "ternario": passato remoto, passato prossimo e presente e inseguendo la circolarità emotiva sussurra alla coscienza indizi sensibili del proprio vissuto. Il corpo, presenza attiva, emigra mutando luogo, l'anima mantenendo la sua fiducia sul recinto dell'attesa, ispirata dalle coraggiose occasioni delle esperienze. (...) Leggere "Delirio notturno" è come immergersi in una continua ed imprevedibile esplorazione immaginifica, è riconoscere la vita nella sua realtà laddove le responsabilità cominciano dai sogni, ed è infine "risvegliarsi dal torpore onirico".
