Las amazonas de la Antigüedad a la Edad Media (Spanish Edition) Ana Claudia Antunes

Como las Amazonas entraron en la Amazonía, y mas, en el reino imaginario y se convirtieron en leyendas, ¿cómo se procesa de manera que todavía se conocerían hasta nuestros días modernos, e incluso más, todavía caminan entre nosotros? Usted va a ampliar sus conocimientos de la antigua Grecia, hasta la Edad Media con relatos en primera persona acerca de cómo llegaron las amazonas, lo que hicieron, cómo se enfrentaron, lo que comían y donde, que conocieron y los riesgos y peligros que pasaron a sufrir hasta que se convirtieron en verdaderas leyendas vivientes, porque hasta ahora es que existen. Un cuento muy atractivo, en ritmo galopante y movimiento frenético y sorprendente a la vez que hará que usted se pregunte si todo esto era verdad o sólo una parte de lo que forma el alma colectiva. Y así, la verdad relativa en relación con los hechos expone el núcleo de la realidad. Y entonces, serían simplemente sueños, fantasías, diosas que vivieron en la Tierra mucho antes de que se colonizaron en verdad? Siéntase parte del mundo de las Amazonas en este libro que revela la síntesis del conocimiento humano dentro de los parámetros de la conciencia colectiva existentes.
