**The Great Jesus Debates: 4 Early Church Battles about the Person and Work of Jesus** Douglas W Johnson

This book studies major Christological controversies of Jesus Christ that shaped the language of the Early Church. The materials are done in a practical way so the reader appreciates the relevance of Christological terminology when understanding who Jesus truly is in daily life. The focus of the book is to take what appears to be abstract language and discussion, and make the theology concrete by explaining how it relates to our salvation.

"To be ignorant of these debates is to be ignorant of how we Christians came to be who we are. To know about them is to have a fuller understanding of our faith and what it means for our lives today."

— from the Preface

*The Great Jesus Debates* includes a time line of persons and events in the history of the Christian Church and a brief glossary of terms.
