Women and Popular Music: Sexuality, Identity and Subjectivity Sheila Whiteley

Women and Popular Music explores the changing role of women musicians and the ways in which their songs resonate in popular culture. Sheila Whiteley begins by examining the counter-culture's reactionary attitudes to women through the lyrics of The Beatles and The Rolling Stones. She explores the ways in which artists like Joplin and Joni Mitchell confronted issues of sexuality and freedom, redefining women's participation in the industry, and assesses the personal cost of their achievements. She considers how stars such as Annie Lennox, Madonna and k.d. lang have confronted issues of gender stereotyping and sexuality, through pop videos for 'Justify My Love' and 'Sweet Dreams (Are Made of This)', and looks at the enduring importance of the singer-songwriter through artists such as Tracey Chapman. Lastly, she assesses the contribution of contemporary artists including Tori Amos, P.J. Harvey and Courtney Love, and asks whether the Spice Girls are just a 'cartoon feminist pop group' or if they provide positive role models for teenage girls.

Margaret Padua:

As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Women and Popular Music: Sexuality, Identity and Subjectivity can make you experience more interested to read.
