Changing Lives: Gustavo Dudamel, El Sistema, and the Transformative Power of Music Tricia Tunstall

“Reminds us of how arts education can change lives.” —Gary Stager, *Huffington Post*

In this “vivid story” (*Economist*), Tricia Tunstall “chronicles the origins and growth of Venezuela’s acclaimed El Sistema national music education program” (Reed Johnson, *Los Angeles Times*) and illustrates its overarching goal: to rescue children from the depredations of poverty through music. What began in Venezuela has extended to Los Angeles, New York City, and Baltimore, illustrating that El Sistema is not just a program, it’s a movement. Combining firsthand interviews with compelling stories, *Changing Lives* reveals that arts education can indeed effect positive social change in the United States and around the world.
