## The Little Red Book of Hope (Little Red Books)

Hope is an interesting thing. Some think it's foolish, often misplaced, and at rarer times devastating; but more agree that hope is an integral and beautiful part of life, something that implicitly makes us human. We're always hoping for something—for change, for improvement, or to find peace of mind amid life's bustling demands. These things are often the subjects of our deepest desires, those things that can bring us true happiness. Fortunately for all of us who count ourselves among the hopeful, there has been plenty of wisdom bestowed from some of the greatest minds and noteworthy individuals throughout history, including:

- Albert Einstein
- Albert Camus
- Barack Obama
- Benjamin Franklin
- John Lennon
- George Bernard Shaw
- Abraham Lincoln
- And many others!

*The Little Red Book of Hope* is an inspired collection of uplifting thoughts about what it is that allows us to persevere; about the primacy of the human spirit, and ultimately, about the redemptive power and vitality of hope.
