Becoming a Contagious Christian Bill Hybels, Mark Mittelberg

The vignettes in this video illustrate principles taught in the Becoming a Contagious Christian program. Used in six of the program's eight sessions, these short, realistic dramas help participants see how the course material works in real life. The video also features an introduction with Bill Hybels that describes the biblical basis for evangelism -- God's deep love for the lost. Becoming a Contagious Christian is a proven course designed to equip believers for effective evangelism in today's world. It avoids stereotyped approaches that feel intimidating to many Christians. Instead, it shows ordinary believers how they can share the Gospel in a natural and powerful way while being the person God made them to be.
