Into Tibet is the incredible story of a 1949-1950 American undercover expedition led by America's first atomic agent, Douglas S. Mackiernan -- a covert attempt to arm the Tibetans and to recognize Tibet's independence months before China invaded. Thomas Laird reveals how the clash between the State Department and the CIA, as well as unguided actions by field agents, hastened the Chinese invasion of Tibet. A gripping narrative of survival, courage, and intrigue among the nomads, princes, and warring armies of inner Asia, Into Tibet rewrites the accepted history behind the Chinese invasion of Tibet. 8 pages of black-and-white photographs are featured.
