**Jack Nicholson: The Early Years (Screen Classics)** Robert Crane, Christopher Fryer

Originally published as *Jack Nicholson: Face to Face* in 1975, *Jack Nicholson: The Early Years* is the first book written about the enigmatic star and the only one to have Nicholson's participation. In 1975 Nicholson was just becoming a household name in spite of having already starred in, written or produced 25 films including classics such as *Easy Rider* (1969), *Five Easy Pieces* (1970), *The Last Detail* (1973) and *Chinatown* (1974). To date, Nicholson has been nominated for twelve Academy Awards and won three, has garnered seven Golden Globe awards, and took home the American Film Institute's Life Achievement Award at the age of 57.

Authors Robert Crane and Christopher Fryer interviewed Nicholson for what began as a thesis for a University of Southern California film class but which quickly morphed into a larger portrait of Nicholson's unique craft. Crane and Fryer conducted their interviews with Nicholson with the intent of showcasing the young star as he saw himself, while also interviewing many of Nicholson's close friends and fellow filmmakers, including Dennis Hopper, Roger Corman, Hal Ashby, Ann-Margret, Robert Evans and Bruce Dern, providing a comprehensive profile of the actor's early years in the industry. The result is a true insider's look at Nicholson not only as a writer, director and actor, but also offers insights into a private man's private life. *Jack Nicholson: The Early Years* stands as a testament to his incredible success in Hollywood.
