## Modern Histories of Crime and Punishment (Critical Perspectives on Crime and Law)

*Modern Histories of Crime and Punishment* showcases a variety of disciplinary, methodological, and theoretical approaches that, taken together, frame historical analysis in the study and teaching of criminal law. Featuring work by historians, lawyers, theorists, and sociologists, *Modern Histories* approaches the history of crime and punishment not as the freestanding study of a distinct institution or body of legal doctrine, but as part of a broader inquiry into the webs of governance and control that constitute social and political life.
